Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 3 below.

1. On 03/13/2013, the Court of Appeals for the Federal Circuit issued a final decision in the case U.S. Steel Corporation v. United States Court Number (2012-1621). As a result of this decision, the injunction to which message 8253208 refers enjoining liquidation of entries which are subject to the antidumping duty order on certain hot-rolled carbon steel flat products from India for the period 12/1/2005 through 11/30/2006 manufactured and/or exported by Tata Steel Limited (Tata Steel Ltd.) (AKA Tata Steel Ltd.) dissolved on 06/11/2013.
2. For all shipments of certain hot-rolled carbon steel flat products from India manufactured and/or exported by Tata Steel Limited (Tata Steel Ltd.) (AKA Tata Steel Ltd.) (A-533-820-003), and entered, or withdrawn from warehouse, for consumption during the period 12/01/2005 through 11/30/2006, assess an antidumping liability of zero percent of the entered value.
3. These instructions constitute notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 2. Accordingly, notice of the lifting of suspension occurred on the message date of these instructions. Unless instructed otherwise, for all other shipments of certain hot-rolled carbon steel flat products from India you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
4. There are no injunctions applicable to the entries covered by this instruction.
5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication

of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

6. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping and/or countervailing duties, CBP shall double the antidumping duty and/or increase the antidumping duty by the amount of the countervailing duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
